Shadow Mountain Golf Club is a semi-private golf course that was built to test but not overtax golfers, the par 70 Palm Desert golf course is one of few in the desert that can still be walked. The course challenges golfers of all abilities and rewards golfers who shape their shots and use their head more than their driver. With over 700 mature palm trees, the fairways are well defined and the challenging greens are protected by well-placed sand bunkers. Tucked in the foothills of the Santa Rosa Mountains of south Palm Desert, Shadow Mountain Golf Club is protected from the winds that plague many desert golf courses.

**Lodging:** If interested in staying at the Shadow Mountain Resort (tennis club) next to the course, we have 8 studios, 3 Two-bedroom with double beds, and 2 Three bedrooms rooms on hold. You must mention Pacific Hickory Cup (760) 346-6123 and reservations must be made by December 2 due to tennis competition taking place this same weekend.

Just like the AZ desert area, January in the Palm Desert is during PEAK season. Please reserve your place of stay EARLY. There are many hotels in the area.

**\*\*\*Junior golfers:** There will be a junior flight for the youngsters. Juniors will get to compete against each other in their own separate foursome or twosomes.
